

## Z1 Motorsports Site Manager (Satellite Warehouse)

The Z1 Site Manager position is vital to the continued success and growth of Z1. This position will manage the daily responsibilities of Z1's satellite warehouse in Carrollton, GA. This person will work with other key managers to develop and implement a well-thought-out strategy for managing inventory between this location and our primary facility (2877 Carrollton Villa-Rica Hwy). Managing a team to efficiently receive, put away, and transfer product will be a daily occurrence. Success in this position will be the ability to build relationships, drive accountability, and solve operational issues.

The Z1 Site Manager is a "working manager" and will spend a portion of their time working alongside their team. However, the primary goal will be to ensure adequate processes and resources are available for all required work.

### Responsibilities:

- Supervise, organize, direct, and train a team responsible for the following
  - Receipt and put away of inventory
  - Inventory transfers to and from Z1's headquarters
  - Inventory accuracy
  - Site cleanliness, safety, organization, and general security
- Work closely with other key managers to solve operational issues
- Coordinate with pre-pack (assembly) manager and employees as needed
- Schedule work for incoming shipments and communicate timelines to Quality Department and Headquarters

### Required Qualifications:

- Previous warehouse management experience
- Experience with Enterprise Resource Planning (ERP) software
- Professional communication skills

### Desired Qualifications:

- Forklift Certification
- Current CDL

### Physical Demands:

- Must be able to sit and/or stand for long periods of time
- Must be able to lift 40lbs
