

## 370Z Upgraded Hatch Strut Kit Installation Manual

### **PROLOGUE:**

Study these instructions completely and thoroughly before proceeding to assemble. Installation can be completed using common tools and automotive procedures. The installer must have a thorough knowledge of automotive systems operation. If unfamiliar with any of the concepts outlined in this instruction, we recommend the installation be completed by a qualified professional.

**WARNING!:** Extreme caution should be taken when performing ANY maintenance or performance upgrades to your vehicle. Please observe and abide by any Warning or Caution labels placed on the various components and tools used when servicing your vehicle. If you have any questions regarding installation or the various components included with the Z1 Motorsports Upgraded Hatch Strut Kit, consult with a Professional Mechanic or contact Z1 Motorsports for more information.

## Parts List:

- Hatch Strut Assembly
- Locking Pin (2 pcs)

## Tools Required:

- Small Flat Head Screw Driver
- Hatch support (anything or anyone who will support Hatch safely while Struts are replaced).

## \*BEFORE YOU BEGIN!

**Remove contents from the Z1 Motorsports 370Z Upgraded Hatch Struts Kit and verify that ALL necessary hardware is present.**

## Installation:

1. Unlatch, raise, and safely support Rear Hatch (as shown).
2. Using a Small Flat Head Screw Driver, lift OE retaining lock off of original strut ball ends.
3. Remove OE Strut Ball End from Hatch side.
4. Remove OE Strut Ball End from Body side.
5. Install Upper Strut Ball End of Z1 Hatch Strut onto Hatch Mounting Stud.

Note: Socket End of Hatch Strut Assembly should '**snap**' onto Ball. Tap back of Assembly onto Ball until snaps into place.

6. Install Lower Strut Ball End of Hatch Strut onto Body Mounting Stud.

Note: Socket End of Hatch Strut Assembly should '**snap**' onto Ball. Tap back of Assembly onto Ball until snaps into place.

7. Install Locking Pin.
8. Repeat steps # 2-9 for opposite side Hatch Strut Assembly.
9. Slowly Lower 370Z Hatch. Check for fitment and smooth operation.

**End**
